Accordingly, the Board of the Transferee Company had constituted a reorganization committee to explore the possibility of a merger of the Transferor Company and the Transferee Company.
- 4.3. Accordingly, in line with the aforesaid disclosures, the said companies now propose by way of this Scheme to amalgamate the Transferor Company into and with the Transferee Company in accordance with the terms hereof. The background and circumstances which justify the said amalgamation are, *inter-alia*, as follows:

- 4.3.1. The Transferor Company and the Transferee Company are companies within the same group of companies (“**Group**”). A consolidation of the Transferor Company and the Transferee Company by way of amalgamation would therefore lead to a more efficient utilization of capital and create a stronger base for future growth of the amalgamated entity.
- 4.3.2. The proposed amalgamation will result in administrative and operational rationalization, organizational efficiencies, reduction in overheads and other expenses and optimal utilization of various resources. It will prevent cost duplication that can erode financial efficiency of the holding structure and the resultant operations would be substantially cost-efficient. Consequently, the Transferee Company will offer a strong financial structure to all creditors including the creditors of the Transferor Company, facilitate resource mobilization and achieve better cash flows. The synergies created by the amalgamation would increase operational efficiency and integrate business functions.
- 4.3.3. The proposed amalgamation will reduce managerial overlaps, which are necessarily involved in running multiple entities.
- 4.3.4. The proposed amalgamation, in addition to offering a strong financial structure to all creditors including the creditors of the Transferor Company, would lead to greater cohesiveness in gaining market share, increased brand and customer recognition, a more efficient utilization of resources resulting in cost and operational efficiencies, and create a stronger base for the future growth of the amalgamated entity which will be beneficial for all its stakeholders.

In view of the aforesaid, the Board of Directors of the Transferor Company as well as the Board of Directors of the Transferee Company have considered and proposed the amalgamation of the entire undertaking and business of the Transferor Company with the Transferee Company in order to benefit the stakeholders of the said companies. Accordingly the Board of Directors of both Transferor Company and Transferee Company have formulated this Scheme for the transfer and vesting of the entire undertaking and business of the Transferor Company with and into the Transferee Company pursuant to the provisions of Section 391 to Section 394 and other relevant provisions of the Act.

3. The Petitioner Companies have approved the said Scheme of Amalgamation by passing the Board Resolutions which are annexed to the respective Company Scheme Petitions.
4. The Learned Advocate appearing on behalf of the Petitioners states that the Petitions have been filed in consonance with the order passed in their Company Summons for Direction Nos. 843 of 2016 and 844 of 2016 of the Hon'ble Bombay High Court.
5. The Learned Advocate appearing on behalf of the Petitioners further states that the Petitioner Companies have complied with all requirements as per directions of the Hon'ble Bombay High Court and they have filed necessary affidavits of compliance in the Hon'ble Bombay High Court. Moreover, Petitioner Companies undertake to comply with all the statutory requirements if any, as required under the Companies Act, 1956/2013 and the Rules made there under whichever is applicable. The said undertaking is accepted.
6. The Learned Counsel for the Petitioners states that the Transferor Company has been carrying on the business of manufacturers, dealers, stockists, distributors, exporters and importers of Fast Moving Consumer Products and the Transferee Company has been carrying on the business of manufacturing, marketing and trading of Fast Moving Consumer Goods. As per the opinion of the management, the proposed scheme of Amalgamation would result in numerous benefits, viz., that the Transferor Company is a wholly owned subsidiary of -the Transferee Company and both the Transferor and Transferee Companies are under same management and amalgamation would lead to administrative convenience and would be advantageous to combine the operations in a single Company and will enable the Transferee Company to consolidate the businesses and lead to synergies in operation and benefit of combined resources and that the Transferor and the Transferee Company, both, are engaged in the business of manufacturing and marketing of Fast Moving Consumer Goods (FMCG) products and as a result the amalgamation would lead to better leveraging of manufacturing and marketing facilities and will bring both the entities under one roof to portray one face to all the parties with whom the Jyothy Group deals and that the amalgamation

would also result in achieving Direct and Indirect Tax efficiencies and that the amalgamation the Transferee Company will also provide an - opportunity to leverage combined assets and build a stronger sustainable business and will enable optimal utilization of existing resources and provide an opportunity to fully leverage strong assets, capabilities, experience, knowledge, efficiencies, expertise and infrastructure of both the companies and that the amalgamation will result in cost saving for both the companies as they would capitalize on each other's core competency and resources which is expected to result in stability of operations, cost savings and higher profitability levels for the Amalgamated Company and that the amalgamation will result in simplification of shareholding structure, reduction in shareholding tiers, reduction in the operating costs, reduction in multiplicity of legal and regulatory compliances, elimination of multiple record keeping which will ultimately lead to overall reduction in expenditure.

7. The Regional Director has filed a Report on 13th day of February, 2017 stating therein, save and except as stated in paragraph IV, it appears that the Scheme is not prejudicial to the interest of shareholders and public. In paragraph IV of the said Report, the Regional Director has stated that:-

"IV. The observations of the Regional Director on the proposed Scheme to be considered by the Hon'ble NCLT are as under:

- a) *In addition to compliance of AS-14 corresponding (Ind AS-103) the Transferee Company shall pass such accounting entries which are necessary in connection with the scheme to comply . with other applicable Accounting Standards such as AS-5 / corresponding Ind As-8 etc.*
- b) *Regarding 13 of the Scheme it is submitted that the surplus if any arising out of the scheme shall be credited to Capital Reserve and deficit if any arising out of the same shall be debited to Goodwill Account and will not be adjusted against Profit & Loss Account of the Transferee Company.*
- c) *As per existing practice, the Petitioner Companies are required to serve Notice for Scheme of Arrangement to the Income Tax Department for their comments. It appears that the company vide letter dated 21st January, 2017 has served a copy company petition No. 4/2017 along with relevant order etc, to IT Department. However, as on date there is no response from Income Tax Department. The tax implication if any arising out of the scheme is subject to final decision of Income Tax Authorities. The approval of the scheme by this Hon'ble Court may not deter the Income Tax Authority to scrutinize the tax return filed by the transferee company after giving effect to the scheme. The decision of the Income Tax Authority is binding on the petitioner Company."*

8. So far as the observation in paragraph IV (a) of the Report of the Regional Director is concerned, the Learned Counsel for the Petitioner Companies submits that the Transferee Company undertakes that in addition to compliance of AS-14 corresponding (Ind AS-103) accounting treatment, the

10. 13. From the material on record, the Scheme appears to be fair and reasonable and is not violative of any provisions of law and is not contrary to public policy.

ORDER

Per: Shyam Babu Gautam (Member Technical)

The sanction of the Tribunal is sought under sections 230 to 232 and other applicable provisions of the Companies Act, 2013 (the Act) to

the Scheme of Amalgamation of JYOTHY FABRICARE SERVICES LIMITED, the Transferor Company with JYOTHY LABS LIMITED, the Transferee Company and their respective Shareholders.

1. The Scheme envisages Amalgamation of JYOTHY FABRICARE SERVICES LIMITED, the Transferor Company with JYOTHY LABS LIMITED, the Transferee Company.
2. We have heard the Learned Authorised Representative for the Petitioner Companies and the Deputy RoC for the Regional Director, WR, MCA. No objector has come before this Tribunal to oppose the Scheme and nor has any party controverted any averments made in the Petition.
3. The Learned Authorised Representative for the Petitioners submit that the Transferor Company is a wholly owned Subsidiary of the Transferee Company
4. The Learned Authorised Representative for the Petitioners submits that the Transferor Company is in the business of laundry and dry-cleaning services and the Transferee Company is engaged in manufacturing and marketing of fabric care, dishwashing, personal care and household insecticides products.
5. The Learned Authorised Representative for the Petitioners states that the respective Board of Directors of the Transferor

Company and the Transferee Company at its respective Board Meeting held on 12th September, 2022 approved the Scheme.

6. The Learned Authorised Representative for the Petitioners states that appointed date of the Scheme of Amalgamation is 1st October, 2022.

7. The Learned Authorised Representative for the Petitioners submit that the paid-up share capital of the Transferor Company is Rs. 23,85,00,000/- divided into 2,05,50,000 Equity Shares of Rs. 10/- each and 33,00,000 Preference Shares of Rs. 10/- each. The paid-up share capital of the Transferee Company is Rs. 36,72,08,644/- divided into 36,72,08,644 Equity Shares of Re. 1/- each.

8. The Learned Authorised Representative for the Petitioners submit that since the present Application is for Scheme of Amalgamation of wholly owned Subsidiary (Transferor Company) with its holding Company (Transferee Company), no shares are being issued as the shares held by the Transferee Company in the Transferor Company would be cancelled and extinguished upon Amalgamation.

9. The Learned Authorised Representative for the Petitioners submit that the rationale for the Scheme is as under:
 - a) The Transferor Company and the Transferee Company are

companies within the same group of companies (“Group”). A consolidation of the Transferor Company and the Transferee Company by way of amalgamation would therefore lead to a more efficient utilization of capital and create a stronger base for future growth of the amalgamated entity.

- b) The Transferor Company is in the business of laundry and dry-cleaning services and whereas the Transferee Company is in the business of manufacturing of fabric care, dishwashing, personal care and household insecticides products. Since both the Companies are operating in complementary/similar line of business, the same can be conveniently combined for mutual benefit and can be carried out more efficiently as one amalgamated entity.
- c) The proposed amalgamation will help pool and combine finances and resources into one consolidated entity which will result in administrative and operations rationalization, organization efficiencies, optimal utilization of various resources, overheads and other expenses and better compliance management.
- d) The proposed amalgamation will help the Transferee Company to achieve financial strength and flexibility aiding in achieving economies of scale, more focused operational efforts, standardization and simplification of business processes and productivity improvements.
- e) The proposed amalgamation will help the Transferee Company to enhance its reach to serve customers better

thereby leading to increased business opportunities and its net worth.

- f) The proposed amalgamation will reduce management overlaps, as two of the Independent Directors of the Transferee Company are the Independent Directors in the Transferor Company, which will improve efficiency in managing companies.
 - g) Elimination of multiple entities will help in streamlining the organization structure of the Transferee Company and the proposed amalgamation will prevent cost duplication and will result in synergies in operations which would increase the operational efficiency and integration of business functions.
 - h) The proposed amalgamation is commercially and economically viable, feasible, fair and reasonable and is in the interest of the Transferor Company, the Transferee Company and their respective stakeholders.
10. The Company Petition is filed in consonance with Sections 230 to 232 of the Act along with the order dated 7th October, 2022 passed in CA (CAA) No. 228/(MB)/2022 of this Tribunal.

- a. The Transferor Company and the Transferee Company are companies within the same group of companies ("Group"). Since both the Companies are operating in complementary/similar line of business, the same can be conveniently combined for mutual benefit and can be carried out more efficiently as one amalgamated entity.
- c. The proposed amalgamation will help pool and combine finances and resources into one consolidated entity which will result in administrative and operations rationalization, organization efficiencies, optimal utilization of various resources, overheads and other expenses and better compliance management.
- d. The proposed amalgamation will help the Transferee Company to achieve financial strength and flexibility aiding in achieving economies of scale, more focused operational efforts, standardization and simplification of business processes and productivity improvements.

- e. The proposed amalgamation will help the Transferee Company to enhance its reach to serve customers better thereby leading to increased business opportunities and its net worth.
- f. The proposed amalgamation will reduce management overlaps, as two of the Independent Directors of the Transferee Company are the Independent Directors in the Transferor Company, which will improve efficiency in managing companies.
- g. Elimination of multiple entities will help in streamlining the organization structure of the Transferee Company and the proposed amalgamation will prevent cost duplication and will result in synergies in operations which would increase the operational efficiency and integration of business functions.
